

**TABLE 6C. Shipments of Primary Products Distributed by Value  
Per Ton: 1963 Continued**

| Product and average value per ton f.o.b. mine or plant | Quantity shipped     |                                 | Value of shipments |                           |
|--|----------------------|---------------------------------|--------------------|---------------------------|
|  | Short tons<br>(1000) | Percent of<br>total<br>quantity | Value<br>(\$1,000) | Percent of<br>total value |
| Gravel Continued                                       |                      |                                 |                    |                           |
|  | 280,865              | 100.0                           | 328,812            | 100.0                     |
| \$0.34 - \$0.48  | 3,031                | 1.1                             | 962                | 0.3                       |
| \$0.49 - \$0.54  | 1,655                | 0.6                             | 728                | 0.2                       |
| \$0.55 - \$0.61  | 5,333                | 1.9                             | 2,737              | 0.8                       |
| \$0.62 - \$0.69  | 5,273                | 1.9                             | 3,102              | 0.9                       |
| \$0.70 - \$0.78  | 6,213                | 2.2                             | 4,189              | 1.2                       |
|  | 11,137               | 4.0                             | 8,594              | 2.6                       |
| \$0.89 - \$1.11  | 43,259               | 15.4                            | 38,048             | 11.6                      |
| \$1.12 - \$1.25  | 74,973               | 26.7                            | 80,768             | 24.6                      |
| \$1.26 - \$1.41  | 38,169               | 13.6                            | 43,275             | 13.2                      |
| \$1.42 - \$1.59  | 33,257               | 11.8                            | 42,569             | 12.9                      |
|  | 26,674               | 9.5                             | 40,719             | 12.4                      |
| \$1.80 - \$2.04  | 16,859               | 6.0                             | 30,174             | 9.2                       |
| \$2.05 - \$2.59  | 7,948                | 2.8                             | 14,306             | 4.4                       |
| \$2.60 - \$3.34  | 5,302                | 1.9                             | 12,171             | 3.7                       |
|  | 1,370                | 0.5                             | 4,476              | 1.4                       |
|  | 412                  | 0.1                             | 1,994              | 0.6                       |

n.e.c. Not elsewhere classified.

The "average values" are based on the entire shipments of the specified product by each establishment. Thus they are representative of varied average prices among establishments but not of variations within an establishment.

**TABLE 7A. Supplies Used in the Industries: 1963 and 1958**

(Detailed figures for the quantity and cost of supplies used were not obtained for this industry. For the total cost of supplies used, see tables 3A and 3B. For the quantity and cost of sand and gravel received for preparation, see table 6A. For the quantity and total cost of purchased fuels and electric energy used, see tables 3A and 3B.)
